**STATEMENT OF THE SUBSTANCE OF THE INTERVIEW**

In response to the Interview Summary dated January 25, 2011, Applicants submit the following as a statement of the substance of the interview.

The undersigned attorney of record participated in a telephonic interview with Examiner Sargon N. Nano on January 12, 2011. Examiner Nano asked that the independent claims be in parallel. Specifically, Examiner Nano stated that he thought that he could obtain allowance of the claims with the following changes:

Claim 1: add the payment or subscription limitation

Claim 26: add the authentication limitation

Claim 42: add both the payment or subscription and authentication limitations

Examiner Nano also stated that there also was a §112 antecedent basis error for "information apparatus" in line 3 and in a later line of claim 26 that needed to be corrected.

The undersigned informed Examiner Nano that he would discuss his proposed changes to the Applicants and let him know what they decide.

Subsequent to the interview, the applicants sent a copy of proposed amendments to Examiner Nano incorporating the requested changes.

The Examiner is encouraged to telephone the undersigned at (503) 224-6655 or the Applicant William Chang at (503)-381-7056 if it appears that an additional interview would be helpful in advancing the case.
